Behaviour

Children who demonstrate an acceptable standard are awarded bands. To be awarded a band the children would have to be in the right place, at the right time and doing the right thing.

This week **185** children have been awarded 'Rainbow Bands' and **169** have earned bronze, **85** have silver and **20** have gold! More silver bands next week – remember at least 96% attendance is needed for these too.

Caterpillars	Butterflies	Year 1	Year 2	Year 3/4	Year 4/5	Year 5/6
9/9	29/29	23/23	30/30	31/31	30/30	29/33

Attendance and Lates

This week 92.6 % and 26 lates
 Our attendance target for the year is
 96%
 Year to date: 94%

Caterpillars
 92.6% 8 late

Butterflies
 93.6% 3 late

Year 1
 93.9% 1 late

Year 2
 90.3% 3 late

Year 3/4
 93.7% 8 late

Year 4/5
 95% 0 late

Year 5/6
 89.4% 3 late

Up and Coming Key Dates

24 and 25/07/17	Training Days (inset days) This school year

Stars of the week

Butterflies: Phillip Young
 Year 1: Jackson Blackmore
 Year 2: Ryan Palmer
 Year 3/4: Kendal Brown
 Year 4/5: Harvey Bedford
 Year 5/6: Zane Wagstaff

Well Done!

Caterpillars and Butterflies We have started looking at the story Rainbow fish this week. In literacy we have been talking about the setting and main character in the story. In maths we have been creating 3D under the sea models from 2D templates. @AllanoLane

Year 1 The Year Ones are enjoying our new story, The Lighthouse Keepers Catastrophe. They are writing about all the problems in the story using the conjunctions we have been learning. We have started to solve multiplication problems using bar models, which seems to be a success! Next week we will be moving onto simple division questions. Earlier in the week, we had a fun time watching the show, Alice in Wonderland. Please do not forget to send a water bottle with your child as it is getting hot.

Year 2 We have had a lovely week this week, we have continued to look at different places all around the world and the different cultures. We have also been reading the Lighthouse Keepers Catastrophe. The children had to problem solve how to save Hamish the cat. Some great discussions were had by all. Have a lovely weekend and don't forget to put your sun cream on, it is going to be hot hot hot!!

Year 3/4 We have carried on our theme of multicultural arts this week in literacy and reading, finding out about the West African myth of Anansi the spider. The children will be able to tell you about this character. We have also been finding out about activities and things to do around our area. Please remember water bottles and sunscreen for the coming week in case the weather is warm.

Year 4/6 Year 4/6 have had a busy fun-filled week this week. They thoroughly enjoyed watching the Alice in Wonderland pantomime and lots of the children worked hard to help support the Summer Fayre. It has been another good week for attendance but Reading Champions is a little disappointing. Come on Year 4/6 – let's see if we can get everyone in non-uniform next week. I know we can do it!

Year 5/6 Another busy week for class 5/6. We really enjoyed the pantomime and the class work after and then we had the fantastic Summer Fayre. In maths we have been making sure our multiplication by 2 digits is secure and the year 6 children have done a great job in coaching the year 5 children. Please remember to send your child with a water bottle during warm weather.

E-safety

Remember to check your parental controls on all online devices your children use in order to keep them safe online. If you have any concerns over online safety look at the CEOP website www.ceop.police.uk. Their YouTube clips are very useful and interesting

General updates

We have had lots of good news this week. Year 6 SATs results were returned and they have done really well. We are proud of each and every one of them and the results are the best that the school has ever seen! We have also won a prize in the Premier League Stars – thanks for the nominations. Finally our summer fayre raised over £260. Fabulous!
