Behaviour

Children who demonstrate an acceptable standard are awarded bands. To be awarded a band the children would have to be in the right place, at the right time and doing the right thing.

This week **169** children have been awarded 'Rainbow Bands'.

Caterpillars and Butterflies All the children down in Foundation Stage have had a busy week. Merging Nursery and Reception together during continuous provision or 'choosing time' has encouraged the Butterflies to take on the responsibility of modelling their beautiful behaviours to the younger children, and they have taken on this challenge well. The Caterpillars are now accessing a wider range of activities and have really enjoyed working together in the Unit. We are extremely proud of all the children and are now excited to see where their learning will continue to take them.

Class 1 We have been innovating our own story versions of the 3 little pigs and continued practising our addition in maths. Our highlight this week was our visit to the Royal Armouries, where we had our own knight, who dressed in full armour, listen to a knight's tale, made puppets and saw all the different types of armour. Please remember P.E. kits on Monday and Thursday. @Allanolane

Class 2 What a fantastic week we have had. Especially our great school trip to the Royal Armouries in Leeds! The children were so well behaved even a member of the public commented on our class! Well done everyone! We have still not managed to get 100% this week. Let's all try our best next week for a full house.

Class 3 This week Class 3 have been looking at addition of 3 digit numbers by tens and hundreds and have now moved on to subtraction of 3 digit numbers. Our times table focus is our 4's and our 8's so any help at home would really help us on our way to securing these! In Literacy, we have described our own character after looking at Willy Wonka from Charlie and the Chocolate Factory and in Topic, the children have enjoyed learning about what everyday life was like for a Roman soldier. Remember, PE is every Monday and Thursday so try and ensure kit is in school for those days.

Class 4 Year 4 have had an excellent week and shown a really positive attitude to learning. In maths we have carried on rounding numbers into the thousands and in literacy we have been improving our descriptive writing. It was great to share work with so many parents on Tuesday evening. Please carry on practicing your times tables at home and remember to read 5 times!

Class 5 This week we have learned about the Celtic Leader Boudicca and the rebellion against the Romans. In our class we have been discussing kindness and are beginning to understand how unkind words hurt people's feelings. Hopefully we will be more kind to one another next week.

Class 6 We had a fantastic scientific morning at De Lacy on Wednesday. Everyone enjoyed using the Bunsen burners to observe what happens to a range of chemicals held in the flame, it was like creating a mini firework display. We were then challenged to create an electromagnet to hold as many paperclips as possible. William and Bayley managed a staggering 71! Remember to read every day and to bring PE kits and water bottles on Wednesday and Thursday. Follow us on twitter @EnglandLaneY6

Safeguarding England Lane Academy considers the welfare of all our pupils to be of great importance and we hope that parents are confident about their children's health and safety whilst in our Academy. We will always try to share any concerns we have with parents. However, there are times when we are legally obliged to share our concerns with other agencies, without first speaking to parents, or without the consent of parents. If you have any concerns about the welfare or safety of any child in our school, the Designated safeguarding lead is Mrs Thompson. In her absence, you should contact Mrs. Rowe. The academy has a duty to inform parents that there is a prohibition on reporting or publishing details (including on social media) that could identify anyone who is subject to an allegation.
