Behaviour

Children who demonstrate an acceptable standard are awarded bands. To be awarded a band the children would have to be in the right place, at the right time and doing the right thing.

This week **185** children have been awarded 'Rainbow Bands', **169** have earned bronze, **70** have silver and **18** have gold. More silver bands next week – remember at least 96% attendance is needed for these too.

Caterpillars & Butterflies We have started comparing the Rainbow fish story to Rainbow fish to the Rescue. The children have done a good job talking about similarities and differences between the two stories. We thoroughly enjoyed our sports day, thank you for joining us.

Year 1 The Year Ones had another great week! They designed their white t-shirts for their final art project and made patterned cereal necklaces. They are the masters in division and could showed their work when they problem solve. Sports day was so much fun! They were absolutely amazing in all the activities and had so much class spirit!

Year 2 Great turn out to our sports day this year! I'd like to say thank you to all family members that turned up and supported our children! Year 2 have also innovated some great stories and their big writes have really impressed me this week. Well done everyone!

Year 3/4 We have had an amazing week in 3/4. I am very proud of our performance on the recorders on Tuesday evening. Our singing and playing were both super but also our musicians who played in their ensembles were brilliant. Then there was sports day yesterday. What a fabulous afternoon of teamwork and sportsmanship. Also we have achieved very well in our tests this week so we are very proud this week. Well done 3/4!

Year 4/6 Year 4/6 have had another great week this week. Some of the children showed off their wonderful musical talents during our Music Concert and all of the children showed fantastic sportsmanship and co-operation during our sports afternoon – Well done Year 4/6! Reading champions has improved this week so let's see if we can get 100% in non-uniform for the last day of the year. Come on Year 4/6, we can do it!

Year 5/6 Another busy week for class 5/6. We loved Sports Day and year 6 are looking forward to their trip to Flamingo Land on Monday. Please remember to send your child with a water bottle during warm weather.

Safeguarding

We have been informed about some possible safeguarding risks you should be aware of at home. Snapchat has changed its privacy settings and now everyone can see exactly where your child is if they are on snapchat. Please check privacy settings and make sure the map feature is turned off to protect your child. Also, keep speaking openly to them about the dangers of sharing information in this way.

We have also heard about a new online game called 'Blue Whale' which encourages users to do dangerous tasks and share this with others. Please don't allow your child to access this at all.
