### Behaviour

Children who demonstrate an acceptable standard are awarded bands. To be awarded a band the children would have to be in the right place, at the right time and doing the right thing.

This week **169** children have been awarded 'Rainbow Bands'.

**Caterpillars and Butterflies** The Caterpillars and Butterflies have had a fantastic first half term with lots of support and partnership with parents. We would like to thank you all for attending yesterday's INSPIRE morning and for your part in the children's learning. I have particularly noticed the rise in reading at home and this is really making a difference with the children's phonics. We hope you have a restful week off and look forward to seeing you all again after half term.

**Class 1** We have been innovating the Knights Tale story in our writing and have had a go at some more addition challenges in maths. We talked about the different seasons, listen to the season's song, talked about weather changes in different seasons and went outside to find all different kinds of Autumn leaves. We enjoyed our first INSPIRE of the year, thanks to all who attended. Enjoy a restful week off and please remember P.E. kits on Monday and Thursday when we come back. Encourage your child to read 5 times at home throughout the holiday too! @Allanolane

**Class 2** What a fantastic week we have had. I'd like to thank all the 28 parents who took time out to come along to our inspire morning. We made shield and helmets to link in with our school trip. Enjoy your half term and remember to stay safe. Follow us on twitter @beedlelane

**Class 3** This week class 3 have been using the column method to solve addition questions. In Literacy, we have been planning our own characters and our own room to put in Charlie and the Chocolate Factory. Thanks to all the parents who came to the Inspire day and helped out, the children really enjoyed it! Enjoy the half term break!

**Class 5** Year 5 have enjoyed investigating different soils this week. We particularly enjoyed our Inspire afternoon, designing and making Roman shields - thank you to everyone who was able to come and support us.

**Class 4** It's been a great week for Class 4 to end this half term. We've been doing subtraction in maths and planning our final story in literacy. It was lovely to see so many parents at inspire and everyone produced some excellent Roman shields. Have a good holiday!

**Class 6** Year 6 really enjoyed our inspire afternoon with our parents making Roman shields. Thank you to everyone who was able to come. Please see the photos on twitter @englandlaneY6. We have had a great week for boosters and for reading with our highest number so far being able to wear non-uniform. Can we get 100% next week?

### E-safety

Remember to check your parental controls on all online devices your children use in order to keep them safe online. If you have any concerns over online safety look at the CEOP website [www.ceop.police.uk](http://www.ceop.police.uk). Their YouTube clips are very useful and interesting. Also, please check your child's settings on snapchat and make sure the snap map permission is not active. Thank you to all parents who have signed up to class DoJos. Please do not use this as a messaging service but see your class Teacher at the end of the School day. Thank you
