### **It's a Bake Off! and Macmillan Coffee Morning**

Dear parents,

Welcome to the first letter from Jeremy's club. We are a group of parents who want to work together with school to help improve our children's education. We are called 'Jeremy's' because we decided that helping in school was more important than staying home surrounded by daytime TV like Jeremy Kyle! Please join us – the more the merrier! Would you rather stay at home watching Jeremy or come into school and help your children?

We have organised a number of events to help raise money for charity and also to give parents/guardians the opportunity to become more involved in school life.

Firstly we would like to invite you to enter our very own 'Bake Off!' competition. We would like parents and children to make either cakes or buns at home and bring all entries into school by 9.00am on Friday 26<sup>th</sup> September for judging. Prizes will be awarded for the winning entries. Please see the attached sheet for more information.

We would also like to invite parents/guardians to a Macmillan Coffee Morning in school on Friday 26<sup>th</sup> September 2014 at 9.15am for a drink and a chat. During the morning we will be selling off the buns and cakes the children and staff have made for the competition. Children and staff can come to school in their pyjamas on this day for a 50p donation and after the coffee morning there will be a chance for you to look round school at the new building improvements.

If you would like to join Jeremy's Club you are welcome to come and join us. We meet in school on a Monday at 2.00pm.

If you need any more information please contact us!

We look forward to seeing you,

Jeremy's Club
